

The Aviation Club

Dubai, UAE

Opening date: 2015
Segment: Health & Fitness
Area: 4000m²

The Aviation Club is a fitness center located in the five-star Jumeirah Creekside Hotel in Dubai. Facilities include four tennis courts, available day and night, two squash courts, a gym and a two-tier 25-metre swimming pool, as well as a separate glass-bottomed, 25-metre lap pool at the hotel's rooftop bar. Members and in-house hotel guests can choose from a range of services, including group exercise classes such as Body Pump, RPM and Hatha yoga Sivananda, along with assessments and consultations with a personal trainer. The club members locker room is also equipped with saunas, steam rooms, plunge pools and a Jacuzzi. A sports boutique is available on site for a selection of sports clothing and accessories.

Design 360 provided lighting design, equipment supply, construction supervision and commissioning services.
